If the first part of your car registration number is here, you might be a winner.

Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past few weeks. And every week there are 72 new winners posted on the showroom wall. So watch for next weeks list of new symbols in this newspaper.) No slogan to invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number. While you're in the showroom, get a good look at the Buick Special. The $2332.00* happens to be its price. *Manufacturer's suggested retail price for Special V-6, 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge.

Contest Rules. Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

ISSUE AND DENOMINATION: $645,000, consisting of 129 bonds numbered 1 to 129, both inclusive, of the denomination of $5,000 each.

DATE: All of said bonds are dated December 15, 1965.

MATURITIES: Said bonds mature serially in consecutive numerical order, from lower to higher, without option of prior payment, as follows:

Principal Amount	Maturity Date June 15 (all years inclusive)
$10,000	1967
15,000	1968 - 1974
20,000	1975 - 1982
25,000	1983 - 1988
30,000	1989 - 1993
35,000	1994 - 1995

INTEREST RATE: Maximum six (6) per cent per annum, payable annually the first year on December 15, 1966, and semiannually thereafter on June 15 and December 15 in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders may specify any number of separate interest rates irrespective of the maturities of the bonds, and the same rate or rates may be repeated as often as desired; provided, however, that (i) the difference between the highest and lowest coupon rates specified in any bid shall not exceed one and one-half per cent; (ii) each interest rate specified must be in a multiple of 1/20 of one per cent and a zero rate of interest cannot be specified; (iii) no bond shall bear more than one rate of interest, no interest payment shall be evidenced by more than one coupon and supplemental coupons will not be permitted; (iv) each bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; and (v) no bid will be accepted which provides for the cancellation and surrender of any interest coupon or for the waiver of any interest on any of the bonds.

PAYMENT: Both principal and interest of said bonds are payable in lawful money of the United States of America, at the office of the Treasurer of Nevada County, in Nevada City, California, or at holders option at the San Francisco Main Office of Bank of America National Trust and Savings Association in San Francisco, California, or at the principal office of Bankers Trust Company in New York, New York, or at the principal office of Harris Trust and Savings Bank in Chicago, Illinois, the paying agents of the District for said bonds.

EXECUTION AND REGISTRATION: Coupon bonds will be issued by the District. Said bonds will be executed by the manual signature of at least one officer authorized to execute the bonds. Said bonds are registerable only as to both principal and interest. Registered bonds are not convertible into coupon bonds.

PURPOSE OF ISSUE: Said bonds are authorized by vote of two-thirds of the qualified voters voting at a special bond election for the purpose of acquiring, constructing and maintaining additions and improvements to the general hospital of the District.

SECURITY: Said bonds are general obligations of the District and the District has power and is obligated to cause ad valorem taxes for the payment of said bonds and the interest thereon to be levied upon all property within the District subject to taxation by the District, without limitation of rate or amount.

TAX EXEMPT STATUS: In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Internal Revenue Service or by decision of any federal Court, the successful bidder may, at his option, prior to the tender of said bonds by the District, be relieved of his obligation under the contract to purchase the bonds, and in such case the deposit accompanying his bid will be returned.

LEGAL OPINION: The legal opinion of Messrs. Orrick, Dahlquist, Herrington & Sutcliffe, of San Francisco, California, approving the validity of said bonds, will be furnished to the successful bidder without charge. A copy of the legal opinion, certified by the official in whose office the original is filed, will be printed on each bond without charge to the successful bidder.

TERMS OF SALE

HIGHEST BID: The bonds will be awarded to the highest bidder, considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of the bonds to the respective maturity dates of the bonds at the coupon rate or rates specified in the bid, and the award will be made on the basis of the lowest net interest cost to the district. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. All interest will be computed on a 360-day year basis. The cost of printing the bonds will be borne by the District.

RIGHT OF REJECTION: The Board of Directors of the District reserves the right, in its discretion, to reject any and all bids and to waive any irregularity or informality in any bid.

PROMPT AWARD: The Board of Directors of the District will take action awarding the bonds or rejecting all bids not later than twenty-four (24) hours after the expiration of the time herein prescribed for the receipt of proposals unless such time of award is waived by the successful bidder.

PROMPT DELIVERY: Delivery of said bonds will be made to the successful bidder at the San Francisco Main Office of Bank of America National Trust and Savings Association in San Francisco, California, as soon as the bonds can be prepared, which it is estimated will be within thirty (30) days from the date of sale.

RIGHT OF CANCELLATION: The successful bidder shall have the right, at his option, to cancel the contract of purchase if the District shall fail to execute the bonds and tender the same for delivery within sixty (60) days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale and for not less than the par value thereof and accrued interest to date of delivery. Each bid, together with bidder's check must be enclosed in a sealed envelope and addressed to the Board of Directors of Tahoe Forest Hospital District and mailed to said Board at Tahoe Forest Hospital, P. O. Box 758, Truckee, Nevada County, California, in time to be received by said Board by 5 P.M. (P.S.T.) on March 24, 1966, or delivered to said Board at the office of the Hospital Administrator, Tahoe Forest Hospital, Truckee, Nevada County, California, by 8 P.M. (P.S.T.) on said date, and endorsed "Proposal for Tahoe Forest Hospital District 1966 Bonds."

BID CHECK: With each bid must be submitted a certified check or cashier's check for $10,000 drawn on a bank or trust company transacting business in the State of California, payable to the order of the Treasurer of Nevada County, to secure the District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition, bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the District by mail upon the award of the bonds. No interest will be paid upon the deposit made by the successful bidder.

Information relative to the financial condition of the District will be furnished to any bidder upon request. There is no controversy or litigation pending concerning the validity of the above issue, the corporate existence of the District or the title of the officers thereof to their respective offices, and the District will furnish to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the bonds.

Dated: February 24, 1966.

Robert Frazier and Mark Champion earned "A's" on our history test while Billie Menges, Jeff Osborn and John Lundgren made "B's".

Fifth Grade — Mrs. Diurni::

We been absent, it's true,
'Twas due to the flu.
But we're back
All intact.
And our brains
Run like trains
Through this spelling jazz.

We got 100's such as: Diana Hammer, Sandy Keechler, Marcine Paterson, John Phelan, Liza Vanni and Randy Hooper on Unit 22.

In history, recently we finished fighting the Civil War. It was exciting to see such improvement in the study of U. S. history by 10 year old citizens. A's and B's via the old-fashioned percentage system of grading on the last test were Blair Beck, Diann Buffo, Rick Collins, Diana Hammer, Casey Hanna, Becky Horton, Brad Jorgensen, Kenny Nichols, Marcine Paterson, Bill Richardson, John Phelan, Suzie Stiles, Mark Swan and Randy Hooper.

Vince Smith joined our class last week. Vince, most recently from Sacramento, looks like a good athlete and a good student. A welcome addition to our group.

MOVES TO DOYLE

Ray Sorani, well known Truckee resident and auto mechanic, who operated his own garages here and at Donner Summit since 1949, has left for Doyle where he will reside.

Sorani has purchased the Doyle Garage and equipment and will operate the establishment. He invites his friends and former neighbors to drop by when in that area.

SIERRA SKIING

By VI WHITE

More snow fell Tuesday when March moved in with a howling blizzard like the proverbial lion, but skiers had a beautiful weekend of bright sunny days and fresh snow, last Saturday and Sunday.

* * *

Far West Juniorr racers had their final point meet at Alpine Meadows and courses were in excellent shape for them.

Vicki Jones and Lance Poulsen both of the Tahoe City Ski Club posted the fastest times of the day in Saturday Class A giant slalom. Patty Kelly of Sugar Bowl and Barney Peet of Mammoth were second, while Dick Nielsen of Lake Tahoe was third. Sandy Poulsen had an amazing time in spite of a somersault spill near the top of the course losing her pole and finished in third place.

The Class IV and V juniors ran their downhill race the same time on an adjacent course of ⅝ of a mile.

Donald Jereb of Mt. Shasta placed first in Class IV, ahead of Mike Bechdolt and Gary Jones of Lake Tahoe. Winner Maclain McKinney of Slide Mt. was followed by Steve Brown, Lake Tahoe, and Frank Andres of China Peak in the Class V event.

The girls Class IV downhill was won by Kati Morning, Mammoth; Kaki Mackinlay, Sugar Bowl, second, and Marcine Paterson, Lake Tahoe, third. In Class V, Sheilah McKinney, Slide Mt., Ceci Caddell, Mt. Shasta, and Lynn Larsen, Sierra Ski Ranch, had top times.

Sunday's Class A Downhill was won by Dick Nielsen of Lake Tahoe, followed by Barney Peet of Mammoth and Lance Poulsen.

Vicki Jones repeated her flawless erformance of the day before and won the girls downhill, with Cheryl Bechdolt of Lake Tahoe placing second and Patty Kelly, third.

Class IV Giant Slalom top places were boys: Randy Cook, Mammoth; Donald Jereb, Mt. Shasta, and Mitch Frazier, Soda Springs; girls: Kaki Mackinlay, Sugar Bowl, and Katy Morning, Mammoth, had a tie for first, while Marcine Paterson was third.

Maclean McKinney, Slide Mt.; Craig Smith, Mt. Shasta, and Frank Andres of China Peak were winnerrs in the Class V giant slalom, while Sheilah McKinney, Cecil Caddell and Lynn Larsen repeated their same places.

* * *

The Lake Tahoe Ski Club were sponsors of the races and handled the events very efficiently. A lot of thought goes into preliminary work and the actual jobs were carried out to the letter by the competent members all under the direction of Chairman Bill Bechdolt. Congratulations!

The Esquire Trio Ends Engagement

CRYSTAL BAY—For a good time weekend of "where the action is", visit the Topaz Room at Nevada Lodge, North Lake Tahoe's largest year-round resort hotel casino, as the youthful Bob Brooks & Paula quartette share the spotlight with the veteran Esquires Trio.

Alternating on stage this weekend with the youthful Bob Brooks & Paula quartet is the Esquires Trio—a highly regarded aggregation which has long been a favorite on the Tahoe scene. Bringing a back ground of motion pictures, television and far-reaching club dates, the Esquires are polished perfectionists whose sense of music and comedy timing reflects the professional esteem in which they are held. Bob Hanna commands the piano, Joe Martini masters the accordion, and Eddie Bee does wonders with the bass—and all contribute to an array of always-new sight and sound gags that keep audiences coming back for more.

The Esquires close Sunday night, March 6. The Cassidy Sisters Trio start a 2 week Topaz Room engagement this Tuesday, March 8.

25 YEARS AGO

The following items were taken from the files of the Sierra Sun for February 27, 1941.

The ruling of Superior Judge George L. Jones last week which cleared up a legal technicality in a petition signed by 60 Truckee taxpayerrs, paved the way for holding an election on the question of incorporating the community.

Mrs. Walter Ashton and Mrs. Frank Giovannoni were hostesses at a shower honoring Miss Ida Costa, whose marriage to Edward Cadjew has been announced.

Yell Nobles, manager of the Bank of America, speaking before a meeting of the Truckee-Tahoe Rotary Club, said that Truckee is progressing in a healthy, substantial way. The meeting was held at Tony's Coffee Shop with Theodore Schleuter presiding.

Lack of interest in the chamber of commerce has prompted the directors to change the meeting times from nooon to the second and fourth Tuesday of each month at 8 p. m.

Students on the high school program honoring the birth of Washington included Lena and Leta Tennis, Elizabeth Gates, Azad Joseph, Ruth Mae Cozzalio and Lee Hunsinger.

Truckee ranked fifth as a port of entry into California last month with 16,628 persons being counted at the quarantine station .

STATE TO INSTALL RAILS AT BAXTERS

The State Division of Highways is advertising for bids for installing guard rails at three locations along Interstate 80 in Placer County between Baxter and Emigrant Gap.

Proposals will be opened April 6 with $37,000 available for the work, according to officials at the Marysville district offifce.

The project will provide increased protection and better roadway delineation on this transcontinental freeway. It is another improvement project in the continuing statewide traffic safety program carried out by the highway division.

In the past year safety on I-80 in the mountain area was also improved with the placement of yellow curve warning signs designating speeds for safer negotiation of the turns. This has brought about a reduction in accidents in the area thus signed.

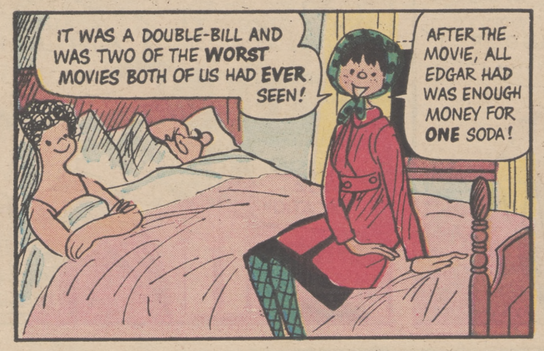
WELL, FIRST OF ALL, HE DIDN'T HAVE ENOUGH MONEY FOR DINNER AND A MOVIE
---SO WE JUST WENT ON TO THE MOVIE AND ATE A LOT OF CANDY BARS INSTEAD OF DINNER



IT WAS A DOUBLE-BILL AND WAS TWO OF THE WORST MOVIES BOTH OF US HAD EVER SEEN!
AFTER THE MOVIE, ALL EDGAR HAD WAS ENOUGH MONEY FOR ONE SODA!

- SO WE ASKED FOR TWO STRAWS AND BOTH OF US DRANK OUT OF ONE SODA

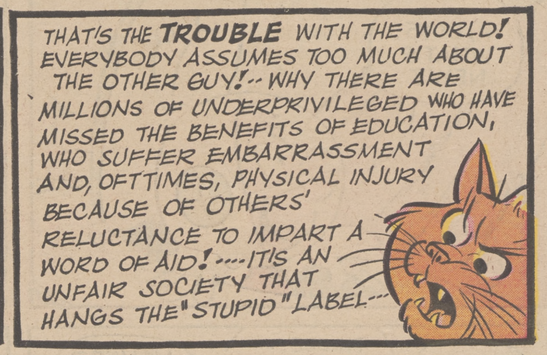
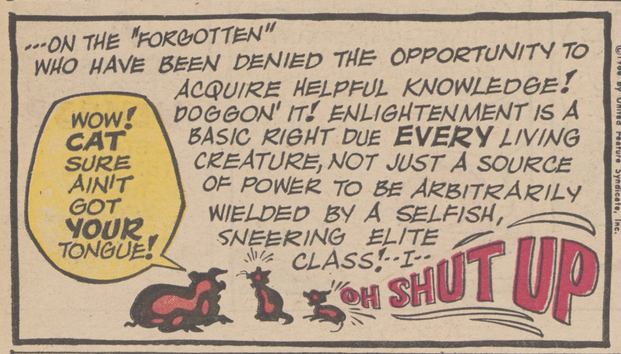
HOW SHOULD I KNOW THAT?--NO ONE'S EVER TOLD ME! NO ONE'S EVER POINTED OUT WHERE IT SAYS THAT IN ANY BOOK! THERE AREN'T ANY CAT COLLEGES, YOU KNOW, TO DISSEMINATE SUCH PERTINENT DATA--- NO GOVERNMENT--OR U.N.
OFFICE OF FELINE INFORMATION!



THAT'S THE TROUBLE WITH THE WORLD! EVERYBODY ASSUMES TOO MUCH ABOUT THE OTHER GUY!-- WHY THERE ARE MILLIONS OF UNDERPRIVILEGED WHO HAVE MISSED THE BENEFITS OF EDUCATION, WHO SUFFER EMBARRASSMENT AND, OFTTIMES, PHYSICAL INJURY BECAUSE OF OTHERS' RELUCTANCE TO IMPART A WORD OF AID!----IT'S AN UNFAIR SOCIETY THAT HANGS THE "STUPID" LABEL---



---ON THE "FORGOTTEN" WHO HAVE BEEN DENIED THE OPPORTUNITY TO ACQUIRE HELPFUL KNOWLEDGE! DOGGON' IT! ENLIGHTENMENT IS A BASIC RIGHT DUE EVERY LIVING CREATURE, NOT JUST A SOURCE OF POWER TO BE ARBITRARILY WIELDED BY A SELFISH, SNEERING ELITE CLASS!--I--
WOW! CAT SURE AIN'T GOT YOUR TONGUE!
